You can obtain access to the ACH Operating Rules on NACHA's website at www.nachaoperatingrulesonline.org

- Click on “New User Sign Up” to register and create a new account (username & password)
- Once you’ve created your account, you can then claim another subscription.

- Check the box that says “*Check this box if you do not have a Subscription Code. You will receive access to only the Basic Edition*” and enter all the required information on the registration page.

- **Make sure to follow all the prompts.**
- You will then have access to the Basic Edition.
